

Project Close-Out Report

FaceBase Project Request Record ID Number:

Initial Project Approval Date:

Summary of project outcomes (e.g., results, publications, presentations)

Please provide a summary of major results, publications, and presentations resulting from use of FaceBase datasets. Reminder, all publications should include appropriate citation of FaceBase datasets used in the analyses.

Data Use Incidents

If applicable, please indicate any violations of the terms of access during the project's duration (e.g., data misuse, breaches, security incidents) and describe any actions taken to remediate the issue(s).

Intellectual Property

If applicable, describe any downstream intellectual property generated from use of FaceBase data.

Close-out Attestation – Confirmation of Data Destruction

By signing below, the signatories attest that all downloaded copies of all data retrieved from the FaceBase repository under this project have been destroyed.
